I need some talking points (something that can be on and off screen in about three to five seconds) and what, specifically we want people to do.

Call the White House?

Brilliant idea, again, Peter.
Taker?

Subject: Idea on sequestration & defense cuts

This could be done on the cheap and could go viral quickly...

[Let me know if you're interested—as I can get one of the video freelancers to probably do this quickly.]

Resurrect the LBJ ad against Goldwater...

A 15 sec internet [YouTube ad] featuring ethnically diverse children on a merry-go-round [soft music]...

Nuclear explosion.

Two bullet points on the facts.

Call to action:

Tell President Obama & Congress not to cut our nation's defense.

Phone:
